Products listed above qualify as "Qualified Energy Property" with respect to a natural gas, or propane water heater that has an energy factor of 0.82 or greater. The credit is 30% of the unit and basic installation price up to a maximum of \$1,500.00. The maximum amount a taxpayer may claim for all qualifying energy efficient home improvements including the purchase and installation of a Noritz tankless water heater is \$1,500 over the lifetime of the credit (2009-2010).
